

## Ring Toss

### Materials:

- Large Paper Plate
- Paper Towel Tube
- Several Small Paper Plates
- Safety Scissors
- Crayons

### Instructions

1. First, you're going to want to go get a big Sprout to come help. Then, cut an X in the center of the large paper plate.
2. Place the cardboard tube into the hole in the plate so that the tube stands up.
3. Fold a small plate in half and, with the help of a big Sprout, cut out a big, half-circle shape from the folded edge. Now do the same thing with the rest of the small plates. Look, you made rings!
4. Color the rings using any colors you want. Use your imagination.
5. Taa-daaaa! Play the ring toss game!
