

Face Puppets

Materials:

- Plastic Lids
- Construction Paper
- Markers
- Glue
- Yarn
- Popsicle Sticks
- Tape
- Safety Scissors

Instructions

1. Everybody loves puppets! You can make your own by tracing circles onto the construction paper, using the lid.
2. Have a grown-up Sprout help you cut out the circles.
3. Put on your thinking cap to draw a different expression on each circle. How do your puppets feel today?
4. Glue the circles to the lids.
5. Now, add hair to the faces using yarn.
6. Tape a Popsicle stick to the back of each face so you can hold them up like puppets.
7. Time to put on a puppet show for all your friends...yippee!
