

Sponge Sailboat

Materials:

- Sponge
- Drinking Straw
- Construction Paper
- Safety Scissors
- Tape

Instructions

1. With the help of a big Sprout, cut the sponge into any shape you want.
2. Ask your big Sprout to cut a triangle with one long side, one short side, and a long diagonal out of the construction paper.
3. Then, tape the long side of the triangle to the straw to create a sail.
4. Have your big Sprout cut a hole in the center of the sponge with the scissors.
5. Place the straw in the hole you made in the sponge.
6. Ta-daaaa! Get ready to go sailing.

Send us a picture of you and your craft!
We love to see you and what you have created.
