

Homemade Stationery

Materials:

- Construction Paper
- Ruled Writing Paper
- Envelopes
- Glue
- Markers
- Safety Scissors

Instructions

1. Find a big Sprout to help you by cutting and folding over a piece of construction paper. Make sure the paper fits inside the envelope after it has been cut and folded.
2. Ask your big Sprout to cut a piece of lined paper that will fit inside the folded construction paper.
3. Glue the corners of the lined paper to the inside of the notecard you made out of construction paper.
4. Using markers, add whatever designs you want to the front and inside border of the notecard.
5. Add matching designs to the envelope, making sure to leave room for a stamp.
6. Have your big Sprout help you write a letter inside your notecard and mail it to a friend. They'll love it!

Send us a picture of you and your craft!
We love to see you and what you have created.
