

## Pretend Binoculars

### Materials:

- 1 long cardboard tube, or 2 small ones
- Crayons, Paint or Markers
- Tape
- Safety Scissors

### Instructions

1. If you're using a long cardboard tube, have a grown-up help you cut it in half. Otherwise, use 2 small tubes.
2. Tape the two pieces of tube together making binoculars.
3. Decorate the binoculars with crayons, markers or paint.
4. Good job! What can you see?

Send us a picture of you and your craft!  
We love to see you and what you have created.
