

Opposite World

Materials:

- Big piece of Paper
- Markers or Crayons

Instructions

1. Draw your own opposite world, including things that you would typically find in a town or city, but make the sizes the opposite of what they normally would be: small buildings, huge cars, big people, and bigger birds.
2. Show everyone you know your picture of opposite world and tell them that it's opposite day. Who knows what they'll say?

Send us a picture of you and your craft!
We love to see you and what you have created.
